DEATH CLAIMS RICHARD J. TAYLOR

Esteemed and Prominent Citizen Of Ogden Succumbs to Long Illness.

BOARD OF EDUCATION MEETING.

Italian Pedler Arrested for Attempted Criminal Assault-Injured Railroad Men May Recover.

Ogden, Utah, March 18 .- We regret to have to record the death of Richard James Taylor, which occurred at the family residence, 2364 Jefferson avenue, yestrday afternoon at 2:30 o'clock, He had the historical distinction of having been the second boy born in Utah. He was born February 4, 1848, at Salt Lake City, and removed to Ogden in the year 1875, where he has resided up until the time of his demise. He was a Churchman staunch and true, and to charchman staunch and true, and to quete his own words, "was a great lover of mankind—God's sons and daughters". He was a devoted husband and father, a true gentleman, extremely, yet quietly courteous, and scrupulously careful of the feelings of his friends and associates. He never the street himself to former even for a ermitted himself to forget, even for a coment that he was a gentleman, and moment that we have a second man, the late President John Taylor, he must himself live true, and set an example before his family and friends that would eternally dwell in their hearts would eternally dwell in their hearts is a living spring of pure water. His inimate business and social acquaintanes never heard one word from his lips to which the most delicate could take exception. His words were as pure as his thoughts, a perfect index to his high character.

his high character.

In the year 1876, he married Sarah
Maria Farr, daughter of Hon, Lorin
Farr, who survives him, as do also six children, Mrs. Horace Peery, Richard Lee, John Lorin, Lettie, Viola and

He was a business man of wide experience, was appointed by the presid-ing bishop of the Church to the office of fishing clerk of the Weber stake, at which time he was ordained te the High Priesthood. His quet and cool demeanor was quet and cool demeanor was found of great value during the ex-cing and troublous financial days of member of the advisory board of the First National bank in close association with the late David H. Peery, at that time the bank's president. He engaged in the real estate business with

David Kay during the "boom' days of Ogden, and was very successful, besides having been a director of the First National bank of Ogden, he had also served with fidelity on the disad also served with methy of the di-rectorates of the Thatcher Brothers' Banking company of Logan, of the Boyle Furniture company, Ogden, and of the Beck's Sait company, and was president and manager of the latter at time of his demise

in his youth he gave very satisfactory service to the Z. C. M. I. and to Wells-Fargo company, where he was highly esteemed.

He served as a missionary of the Mormon" Church in the Sandwich Is-Mormon' Church in the Sandwich Islands, performing an honorable work. He was also a home missionary and first assistant superintendent of Sunday schools of the Weber stake for many years. He also served in the Ogden city council during the term of Mayor Peery, and rendered great assistance in acquiring for the Ogden City corporation its first waterworks. His demise is greatly deployed by his His demise is greatly deplored by his nmediate associates, and is a distinct

oss to the entire community.

The funeral will take place on Sunday aftrenoon at 2 o'clock in the Third sard meetinghouse, in which ecclesi-stical ward he held his Church memstical ward he held his Church which sership for the past thirty years. His remains may be viewed at the family residence Sunday, between the hours of 10 a. m. and 12; 30 p. m. Interment in the Ogden city cemetery.

BOARD OF EDUCATION MEETING. At the regular meeting of the board of education held last evening only a small amount of business was transacted. The treasurer's report showed cash on hand \$17,195.76.

cash on hand \$17,195.76.

A committee composed of Henry Snyder, J. V. Nelson and F. J. Hendershyder, J. V. Nelson and F. J. Hendershyder appeared before the board and asked that arrangements be made to have the schoolchildren of the city march in the G. A. R. encampment parade May 15, when the state ensampment takes place in Ogden. The matter was taken under advisement.

The teachers' committee, to whom was referred the matter of increasing the salaries of the teachers of the public schools, reported adversely on the

PLAIN CITY.

WARD REUNION. Two Days' Festivity in Honor of Ploneers and Anniversaries.

Special Correspondence. Plain City, Weber Co., March 16.— Yesterday and today have been days long to be rememberd by the people of Plain City, being the occasion of one of the grandest reunions ever held here. The object of the reunion was of a

The object of the reunion was of a three-fold nature, first to commemorate the 46th anniversary of the birth of Plain City as a ward, secondly to celebrate the first organization of the Relief society; thirdly as a time of general rejoicing over the liquidation of the ward debt under which the people have struggled so long.

On the morning of the 15th, the metinghouse was beautifully decorated with plants and natural flowers and 11:30 found the house packed to overflowing with an appreciative audience. After a selection by the orchestra the choir sang and Chaplain H. J. Garner offered the opening prayer. A bracing spring tonic. Cures all spring disorders. Makes red blood, bone and muscle. A wonderful remedy for making sick people well. Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets. Ask your druggist.

The Daily News is delivered by carrier in Provo early every evening (Sundays excepted) on the same terms as in Salt Lake—75 cents per month. All complaints, requests for changes of address and payments of accounts should be made to R. J. Dugdale, 372 west 4th North Street, Provo. Advertisements and orders for Church works also received. offered the opening prayer,
A distribution of badges was then
made to the honored guests of the day,
the pioneer, all who had served on the ecclesiastical board, and those over 70

ecclesiastical board, and years of age.

A most interesting program was then rendered, consisting of speeches interspersed with songs and recitations, the speakers were: John A. Taylor, chairman of the finance committee, Bishop G. W. Bramwell, president of the ecclesiastical board: Patriarch John Carver, the oldest pioneer of Plain City; Prof. Clark Recitals-Garden City Briefs Provo, March 18.—Fred Lott, 21, of Pleasant View and Bitha Norton, 18, of Nephi, were married here yesterday by clesiastical board; Patriarch John Carver, the oldest pioneer of Plain City; Joseph S. Geddes, formerly of Plain City, but now of the Oneida Stake presidency; B. G. Taylor and Bishop

Levi Taylor of Harrisville.

Prizes, contributed by the merchants of Ogden City, were then distributed among the pioneers by Counselor P. M. Folkman, and after singing by the choir and prayer by the chaplain, a grand march was made to the amusement hall, where the tables groaned inder the weight of the sumptuous repast there awaiting all.

After dinner was cleared away the company was entertained by dancing Levi Taylor of Harrisville.

After dinner was cleared away the company was entertained by dancing with an occasional song or recitation, until about 6 p. m., when a lunch was served the aged, and the entertainments continued until 8 p. m., when all members of the ward over 16 eyars of age engaged in a dance until the mid-

night hour. As the capacity of the amusement hall was not great enough to accommo-date all on the 15th, all under 16 years

of age met together on the 16th.

At 1 p. m. the hall was thronged with the children, nearly 300 participating in the feast there prepared for them, and their little hearts were made merry the music of the phonograph while

After dinner was celared away 150 children formed in a grand march. The dancing continued until 5:30 p. m., when with light hearts and happy faces the youngsters bade their final adieus wishing that Plain City reunions might occur oftener.

HANNAH B. MILLER.

Daughter of Jacob Bigler and Elizabeth Harvey, born June 24, 182), in Harrison county, Virginia. Her father and family county, Virginia. Her father and family accepting the Gospel, moved to Far West, Mo., in 1838; thence to Adams county, Ill., in 1839; thence to Hear Creek, four miles from Carthage, Hancock county, Ill., in 1843. She married Daniel A. Miller, then a widower with five children, Dec. 29, 1844; moved with the Saints to Kanesville, Iowa, in 1846, and to Utah, locating at Farmington in 1848. During the latter journey she drove a horse team and wagon, in which rode five children. While rearing her family and caring for the other five and later for two other motherless children of her husband's, and also for other relatives, she met unflinchingly and uncomplainingly all the varied vicissitudes of pioneer and

B. MILLER.

frontier life. Her death in her 85th year, March 13, 1905, at 3:49 a. m. may be called of old age. She sat at table for breakfast the morning before her death, and during the day recognized and bid welcome to her relatives and friends, and said she was not suffering any pain, was only a little nervous and suffocating. There has been born to her 10 children, 29 grandchildren, 103 great-grandchildren of whom, 2 children, 38 grandchildren and 25 great-grandchildren survive her. Her oldest, a daughter, died 17 days less than 58 years eld; the others, four sons and five daughters, and many of the grand and great-grandchildren, were present at the funeral services. Her daughter cf largest family is Emmeline Wilson, aged 55 years, mother of 15 children and 38 grandchildren, of whom 13 children and 38 grandchildren are living.

very light. Nearly 200 of our people were vaccinated during the scare. The vaccination has caused a great deal more suffering than the smallpox.

We were surprised to read in the Salt

Lake Tribune some time ago that the postmaster and assistant were in the offce distributing mail while they were once distributing mail while they were broke out with the disease. This is a falsehood, as both were quarantined at their homes and the bondsmen had charge of the office.

charge of the office.

We have had a great deal of moisture the last month, making prospects bright for farmers and stock raisers.

Mr. Sanders of Murray, Salt Lake county, purchased a carload of fine fat cows in our town last week.

Last week while the seven-year-old girl of Mr. and Mrs. B. J. Stringham was carrying the baby girl, both fell in a tub of hot water and were quite badly scalded about the limbs; both are recovering. recovering.

WEST WEBER.

OLD FOLKS REUNION.

Grain Planting Completed.

Special Correspondence. West Weber, Weber Co., March 14-Last Friday afternoon and evening was the occasion of "The Old Folks Reun-ion" in the West Weber ward. At 1 o'clock the meetinghouse was well filled and an entertaining program was rendered. All over 70 were seated on the stand and received some very useful presents. John C. Measures and Han-nah Clayton, both 83 years of age, have been members of the Church for over 50

At 4 o'clock all present sat down to a sumptuous feast. Every attention was given to the old people to make it a day long to be remembered. Those who were unable to attend were not forgot-

ten. Nearly all the farmers in this part have their small grain in and are pre-paring their land for beets. The drilling will begin on the 15th inst. For the last three weeks the days have been warm and pleasant.

Ruth Hart, daughter of S. A. Hart, who has ben seriously ill is now on the road to recovery.

KAMAS.

LEMON-BRINTON WEDDING. Narrow Escape from Overdose of Laudanum-Dr. Marshall III.

Special Correspondence.

JOHN TUELLER SUMMONED.

Respected and Esteward Citizen Answers Sudden Call.

Special Correspondence.

Paris, Bear Lake Co., March 16.—Today noon, John Tueller, one of our very highly respected citizens, passed to the great beyond, after an illness of six weeks. Brother Tueller was stricken with pneumonia, but seemed to be improving for some time and swas preparing to have a ride, the weather being very warm and pleasant, when he took a fainting spell and passed away in a few minutes, the immediate cause being

The continued wet weather has re-tarded spring work, but all are hopeful of a good season.

SNOWFLAKE, ARIZ.

Special Correspondence.

BISHOP JOHN HUNT HONORED Two Months' Rain Soaks Up Parched Land-Excellent Crop Prospects.

Snowflake, Navajo Co., Ariz., March 9.—Today was the seventy-second anni-versary of the birth of our beloved Bishop, John Hunt, and the good people of the ward have shown their apprecia-tion of his worth and lebors in a banquet and a well rendered program, in which the life and isbors of the likhop were represented by members of his numerous family. In the evening an amateur company presented the play of 'Hazel Kirk,' and a drill of young girls.

The fields are beginning to look green. For the past two months it has been one continual rain. The mud has been so deep that teaming was linpossible and the mail has been con-stantly belated. Never in the history of this country has there been so much moisture, and the storms do not seem to be over yet.

Crop prospects are, of course, good, if the storm will but let up so that the farmers can plant.

Cattle and sheep owners are in high spirits over the feed prospects and ex-pect results from this part of the country never before known.

ST. JOHNS, ARIZONA.

FLOODS MAY DESTROY

Irrigation Reservoirs-Impassable Roads Threaten Famine.

Special Correspondence. St. Johns, Apache Co., Ariz., March 6.—The people of St. Johns are very much concerned over their reservoir, as much concerned over their reservoir, as the water is rising rapidly and the overflow outlet is not completed. The overflow is being constructed in the solid rock and has to be blasted out, making progress very slow. It is feared that if the St. Johns reservoir gives way it will carry everything below it. The Meadows reservoir below here is full and the water is running over the overflow. Work is being pushed on the Hunt reservoir to bring the dam to completion. The sluice gate is open, so that the water is running out to prevent it rising to endanger the work.

The unprecedented downpour contin-

The unprecedented downpour continues and the gullies are all running streams of water. The impassable condition of the roads threatens the people with a famine. As no freight has come from the railroad for so long the stores are all out of flour, sugar and coal oil. Teams expec-

to start tonight or tomorrow for Hol-brook, but at best they cannot make the trip in less than 10 days. There is considerable sickness in the town. Three or four boys between the years of 5 and 11 are afflicted with nervous attacks like St. Vitus' dance.

ST. CLAIR, NEVADA. HOMESEEKERS' OPPORTUNITY

Government Project to Irrigate 250,000 Acres-Open to Homesteaders.

Special Correspondence. St. Clair, Churchill Co., Nev., March 16 .- As parties from all parts of the country are asking for more information respecting opportunities for home making here your correspondent takes

the liberty to reply through the "News," This valley is about 30 miles each way. The government is taking out a causi from the Carson river to irrigate about 250,000 acres of this land. At least one-half of this amount can be taken up under the homestead act, the balance is already patented. A home-stead will cost about \$16. The water is estimated to cost \$26 per acre, to be paid for in 10 annual installments. But estimated to cost \$10 per acte, to for in 10 annual installments. But there is a fair chance for the price of there is a fair chance for the price. The the water to be cut down some. The soil is good; some of it is heavy clay, while other portions is sandy loam. There is but very little mineral in any

of the land.

The water supply in the Carson river runs short in the latter part of the season, for that reason the government has cut a long canal from the Truckee river into the Carson river, so there will be plenty of water in the future.

There is not any timber short of 25 or 30 miles off, except cotionwood, which is plentiful in the valley. Wood cut into stove lengths sells at from \$4 to \$6 per cord. Coal costs about \$13 per ton. The average yield of grain is of the land.

to \$6 per cord. Coal costs about \$13 per ton. The average yield of grain is about one ton per acre, and the average yield of hay per acre at each cutting is counted two tons. Alfalfa can be cut three times per season with good care but most people cut but twice and pasture the balance. Grain sells at from \$5.50 to \$8 per ton, and ther produce in proportion. Fallon, the county seat of Churchill county is situated about six miles from this place, and is near the center of the valley. It is a nice little town, and is building up rapidly. It supports seven stores, too meat markets, one confectionery and about 12 saloons and two lumber yards. All kinds of supplies, building material and implements of all kinds are available at fair prices. Fallon is 16 miles from Hazen, a station on the Southern Pacific railroad.

railroad. There is considerable patented land here that can be bought at reasonable prices, some with water right and some

The water will be turned in the main The water will be turned in the main canal from the Truckee river on the first of April, but as the laterals are not completed there will be no water for much of the land that isn't already under cultivation until the latter part of the summer, and some of it not until next spring. The cost of this irrigation system is estimated at \$10,500,000. There is not much range for stock There is not much range for stock, only as it is pastured in summer and

EUREKA. WANT STAKE ORGANIZATION. Jury List-Church Improvement - Band

Concert-Mine Accident. Special Correspondence. Eureka, March 16 .- The following persons have been summoned to act as jurors in the Fifth judicial court at Nephi:

Eureka—Walter Lott, William Car-ter, Major Church, William Embleton, J. G. Berlin, Charles Shillings, Charles Brown, Ernest Watkins, and P. J. Fen-nell. Mammoth—Frank Harryman, E. T. Young, William Gillespie, Hyrum Flanders and Thomas Tregoning. Sil-

Flanders and Thomas Tregoning. Silver City—Thomas Garfield.

The people of the L. D. S. Church will expend \$500 in improving the grounds surrounding the new church this spring. A two-foot wall will be built around the property, and the ground planted with grass and trees. Water will be piped into the building and grounds.

A meeting of the people of the Eureka ward was held at the L. D. S. church Monday evening for the purpose of framing a petition, asking that a separate stake be made out of the wards of Tinite district, consisting of Mammoth, Silver City and Eureka. These wards are now a part of Juab stake, which also includes Nephi and other towns in the east end of the county. The two sections are so wide-The two sections are so wide-

ly separated that it is quite an expense to the officers to make visits when The members of the L. D. S. choir The members of the L. D. S. choir are practising nightly on the musical numbers they will render at the concert to be given by the Eureka band on March 27. So popular are both organizations that already over 600 tickets have been sold for the entertainment necessitating the musicians and singers to repeat the concert as the church cannot accommodate all ticket holders.

The members of Tintic lodge No. 711,

R. P. O. Elks gave a reception this week in honor of Mr. Watson M. Nesbit of Pocatello, Idaho, one of the charter members of No. 711. MINE ACCIDENT. On last Saturday, while at work in the Ajax mine at Mammoth, Harry Baunister, a miner, was struck on the head by a falling rock, which made him lose his balance, and he fell a distance of 15 feet, fracturing his ribs and receiving several bad bruises about the body. The wounded man was removed to the Tintic hospital and

Scott's Emulsion is cod liver oil prepared as a foodnot a food like bread or meat, but more like cream; in fact, it is the cream of cod liver oil. At the same time it is a blood-maker, a nerve tonic and a flesh-builder. But principally it is food for tired and weak digestions, for all who are fat-starved and thin.
